

FOR IMMEDIATE RELEASE

Christian Songwriter John Pape Brings the Romans Road to Life in New Single "The Road"

EL CAJON, Calif. — Christian songwriter and recording artist **John Pape** announces the upcoming release of his new Christian single, "**The Road**," an original song inspired by the biblical "Romans Road"—a series of passages from the Book of Romans that clearly presents God's plan of salvation through Jesus Christ. The song will be available on all major streaming services like Spotify, Apple Music, Amazon Music and more.

The song blends a contemporary Christian pop-rock with a sincere gospel message, "**The Road**" leads the listener down a spiritual journey. Starting with humanity's separation from God because of sin. Leading the listener to the hope of redemption through the death and resurrection of Jesus Christ. Rather than quoting Scripture verbatim, the song tells the story of salvation through vivid road imagery, inviting listeners to consider the path they are traveling and the hope found in Christ.

Opening with the lyric, *"Each step I took led me astray, further from God's perfect way,"* the song reflects the biblical truth that all people have sinned and fall short of God's glory. From there, the lyrics move naturally through Christ's sacrifice on the cross, the invitation to call upon His name, and the assurance of new life for those who place their faith in Him.

"**The Road**" was written to communicate the gospel in a way that is both biblically faithful and musically engaging.

"The message of the Romans Road has helped many people understand God's plan of salvation," said John Pape. "I wanted to tell that story through music so listeners could hear not only the truth of Scripture, but also the hope, grace, and new life found in Jesus Christ."

Musically, "**The Road**" combines an energetic contemporary Christian arrangement with heartfelt vocals and memorable melodies that support its evangelistic message. The song is intended not only for Christian listeners but also for those searching for hope and asking life's deepest spiritual questions.

For Pape, songwriting has always been more than creating melodies—it is a ministry centered on communicating biblical truth. His growing catalog of original Christian music reflects a commitment to Scripture, encouraging believers while clearly presenting the gospel to those who may be hearing it for the first time.

"**The Road**" will be available August 27th, 2026 on major digital music platforms.
